

Cameron Sasai  
District 1

As the youngest elected official in Contra Costa County, I understand the importance of building the bench, investing in our youth, and getting them politically and civically engaged—this is how we secure a more progressive and inclusive future for all of us in District 1, and this is the perspective that I will bring to the Democratic County Central Committee.

In 2022, I was elected to the Pinole City Council, making history as the first Filipino and the youngest individual to ever occupy the office. In my first year, I've taken action to advance affordable housing, lift up working families and fight for civil rights, and transition our community into a sustainable, clean energy future. Today, I represent the City of Pinole as their Vice Mayor.

On the Central Committee, I will hold our elected officials accountable to Democratic values, support candidates who will deliver bold, progressive policies, and continue to recruit and mentor Democrats from diverse backgrounds to run for office.

I am endorsed by labor organizations like the Contra Costa Building and Construction Trades Council, statewide organizations like the California Young Democrats and the California Working Families Party, and progressive national organizations like Our Revolution.
