

My name is D'Marco J. Anthony, and I am running for Democratic Party Central Committee. I am a progressive that supports environmental and social justice. I am an advocate for a Green New Deal, affordable housing, and bodily autonomy. I am 27 years old, and the newly elected Secretary for Contra Costa Young Democrats. My ethnic background is African American, Ashkenazi Jewish American, and Irish American. I openly identify with the queer community.

I was recently a Support/Records Clerk in Walnut Creek at a law firm involved in water rights, municipal law, and tribal law. I also have experience working for the local and federal government at the San Francisco Department of Elections and San Francisco Passport Agency, respectfully. I received a Bachelor's degree in Political Science with a minor in Global Studies from Sonoma State University.

If elected, I look forward to doing everything in my power to save our democracy from Trump supporting Republicans, by electing progressives. For more information on my campaign and values, please visit <https://sites.google.com/view/dmarco4cocodem/>
