

Katie Ricklefs
District 2

My husband and I raised our daughter in Lafayette, where we have lived for over 30 years. My 27- year career with Kaiser Permanente was focused on working with physicians and staff to improve patient care, staff health and safety, and community health, while providing high quality services at affordable prices.

As chair of the Democratic Party of Contra Costa County (DPCCC) I've helped many strong Democrats win their elections. I have walked hundreds of neighborhoods, made phone calls, sent texts, and wrote postcards.

Accomplishments as DPCCC Chair

- Led 180 volunteers to organize, engage, and elect Democrats, with a 70% win rate for endorsed candidates
- Built strong relationships with our 14 Democratic clubs, Labor partners, elected Officials, and Community partners.
