

Marisol Rubio Central Committee Statement

Marisol is the daughter of a first-generation immigrant single parent who taught in a high-need school district for 30 years and she's a single parent of a childhood brain cancer survivor.

Turning hardship into advocacy, Marisol became a staunch defender of women's reproductive and disability rights and is a Founding Board Member for FemTruth Youth™ (women's reproductive health and education nonprofit) and The Natalie Project (fund for people with intellectual and developmental disabilities).

As a Sierra Club California and SF Bay Chapter Executive Committee Member, Marisol led Bay Area environmental groups and the Contra Costa Building and Construction Trades Council in developing policies to advance Just Transition.

Currently, as a San Ramon City Councilmember, Marisol established the first Climate Action Task Force to inform the city's Climate Action Plan and to charter a Sustainability Advisory Committee. She improved access to Parks programs for seniors and people with disabilities, more workforce inclusionary affordable housing, and commonsense gun laws.

Marisol transformed the California Democratic Party as a delegate, DPCCC Issues and Rules Committees Co-Chair, Club President, and statewide Justice, Equity, Diversity, and Inclusion Committee Vice-Chair. Marisol supports working families, tackling environmental challenges, improving education, advancing racial and social justice, and affordable healthcare.

Marisol graduated from the University of California, Berkeley in Molecular and Cell Biology, Neurobiology emphasis. Vote for Marisol by March 5th! www.marisolforca.com
