

Michelle Simone
Political Campaign Manager
County Central Committee Candidate 2024

As a member of the Democratic Party of Contra Costa County's (DPCCC) Endorsement Committee, I'm working to support candidates that align with our community's vision of the future. Through my role as former co-chair of the DPCCC Training Committee, I've empowered aspiring leaders with essential skills.

Outside the Central Committee, I've championed social justice as the former Diversity Education and Inclusion Chair of the countywide Parent Teacher Association. I've also managed successful campaigns and served as Education Commissioner for Pleasant Hill, advocating for equitable education opportunities.

As a legal educational surrogate parent, I support students in the foster care system and students experiencing homelessness, ensuring they have the resources they need to thrive. My dedication to social justice has been recognized through nominations for the teacher's union's Social Justice Award.

I'm not driven by personal gain but by a genuine desire to make a difference. I'm deeply committed to the California Democratic Party Platform and have served our community with passion and dedication. With your support, I aim to continue advocating and driving positive change within the Democratic Party of Contra Costa County and the community.

Thank you for your consideration.
