

RE-ELECT RENEE ZEIMER

As a staunch Democrat and Contra Costa resident for nearly 40 years, I have dedicated my civic and professional life to making our community a better place for all. I am a progressive, FDR Democrat who believes in a social contract between our government and its people. That contract includes healthcare for all, a clean, just and sustainable environment, quality public education and living-wage jobs.

As a retired policy analyst and program manager, I understand government systems and local politics. I worked to improve our quality of life - libraries, senior adult needs, environmental sustainability, land use & health, and youth programs.

As a community educator, I educate local residents to better understand and participate in the democratic process. I mentor promising local leaders to seek appointments on boards and commissions, and run for public office. I do whatever is necessary to get out the vote for endorsed Democratic candidates and measures.

Unifying Democrats to defend our schools, a women's right to choose, Medicare & Social Security and especially the foundational principles of our American democracy are more important than ever.

I ASK FOR YOUR VOTE to represent you with a strong voice and skilled hand.
