1.1 - Why are you running for this office? Give no more than your top 3 reasons. *

Simply put, I want to help make Lafayette an even better place to live.
.....

1.2 - What are the responsibilities that come with the office you are running for? *

Looking at the big picture, a councilmember bears responsibility for the kind of city Lafayette will be in the future and what that will mean for its residents. That leads to a responsibility to make decisions and proactively seek solutions that are in the best interests of present and future residents.
.....

1.3 - What are your personal or professional qualifications that you believe make you the best candidate? *

* My experience. I am in my 14th year serving on the Lafayette City Council. I have served as Mayor three times. Before joining the Council I was a member of the Lafayette Planning Commission for six years. I served two years as Chair of the Planning Commission.

* I was a lawyer before retiring in 2019. My legal training and experience have been invaluable in understanding and solving problems.

* I am a good listener.
.....

1.4 - What are your top goals for this office? How do you plan on achieving them? *

* Achieving long term financial stability for the City. We will be able to achieve our goal of maintaining a 60% General Fund reserve through FY25-26, but at the currently projected levels of revenue and expenses, the City will begin running a deficit. We must either increase revenue or cut expenses. The Council voted in July to put on the November ballot a 1/2 cent sales tax measure that will expire in 7 years. I will work to help pass this measure.

* Implementing our new Housing Element. This will involve looking now at how we can reimagine circulation (of pedestrians, bicycles and vehicles) so that both the new residents in the significant amount of new housing that will be built in our downtown and current residents are able to carry out their daily activities without always having to rely on a car. It will also involve planning for and developing parks for downtown residents.

* Taking steps to mitigate the increasing risks of wildfire.

* We have increased wildfire risk because of climate change. We need to continue to make Lafayette a more sustainable community.

* Develop and start to implement an Age-Friendly Action Plan for Lafayette that will serve to broaden senior community inclusion in Lafayette.

* Making downtown Lafayette more vibrant.

1.5 - How do you plan on engaging your constituents in dialogue after you are elected? *

I plan to continue what I have been doing. My personal mobile number is publicly available and I welcome any and all calls.

1.6 - This is a 3-Part Question: Why are you seeking the endorsement of the DPCCC? How will you use our endorsement? How will you support other endorsed candidates and issues? *

I am a lifelong Democrat. I am seeking your endorsement again this year because I want to work on the priorities listed above, and I think your endorsement will help me win re-election. I am not sure now exactly how I will use your endorsement or how I will support other endorsed candidates and issues.

1.7 - Please feel free to include any additional information you would like us to consider in evaluating your candidacy. *

N/A

Section 2: Democratic History

2.1 - List your previous and current party affiliations. When did you first register as a Democrat and why? *

I registered to vote as a Democrat in 1968 (and have continued to be registered as a Democrat) because the party supports policies that have improved, and will continue to improve, lives in the United States and around the world.

2.2 - I have read and acknowledge the California Democratic Party's current platform (value statement) and will adhere to these values in the performance of my elected position. *

To learn about the CADEM Platform, please click [here](#).

Yes

No

2.3 - In your opinion, which elements of the CADEM Platform are most relevant to the position you are seeking? If elected, how do you plan to advance them? *

I'm focused on advancing the priorities set by the Lafayette City Council.

2.4 - Have you actively supported policies and initiatives that prioritize and protect reproductive healthcare and freedom, and can you affirm your commitment to continuing this support if elected? *

Yes

No

2.5 - If elected, what would you do to advance equity, anti-racism, justice, and belonging? *

Implementing our new Housing Element will serve to advance equity, anti-racism, justice and belonging. In 2023 as Mayor I proposed the establishment of a Land Acknowledgment Task Force that resulted in the adoption by the City of Lafayette of a land acknowledgment statement. Generally speaking, when making any decision, I ask which choices will advance equity, anti-racism, justice and belonging.

2.6 - Have you actively opposed LGBTQIA+ issues, which may involve voting against solidarity, supporting harmful or exclusionary policies, or publicly expressing opposition through statements or comments? (i.e. voting against or making disparaging remarks about the display of pride flags, marriage equality, trans-inclusive policies, or queer-inclusive curricula). *

Yes

No

2.7 - Have you previously sought the endorsement of the DPCCC? If yes, for what elected office? Were you endorsed? *

Yes, in 2020 when I ran for election to the Lafayette City Council, I sought the endorsement of the DPCCC, the Lamorinda Democratic Club and the Contra Costa Young Democrats. I am very grateful that I received endorsements from each.

2.8 - Please list any elected offices, positions and date(s), which you hold/held or campaigned for as a candidate. *

Councilmember, City of Lafayette: 2002; 2004; 2008; 2020

2.9 - In what ways have you supported and actively participated in the Democratic Party at the local, state, and national levels? *

I contribute to Democratic congressional candidates in toss-up districts. For example, I contributed to Jerry McNerney's first campaign for Congress and contributed to each of his campaigns until he left Congress. I also contributed to Ami Bera's first campaigns. I am not a major contributor.

2.10 - Please list any clubs, boards, commissions, and /or organizations with which you are an active member, including the length of your affiliation and any leadership position you hold/held. *

None at present. I focus on the City Council responsibilities.

2.11 - Have you ever endorsed non-Democrats? *

Yes

No

2.11a - If so, what were the circumstances?

I endorsed Candace Andersen for County Supervisor this year. My understanding is that County Supervisor is not a partisan office, and I think she has been an excellent Supervisor. I have endorsed candidates for the Lafayette City Council, also a non-partisan body, without knowledge of their party affiliation.

Section 3: References & Club Endorsements

3.1 - Please list any other endorsements you have received for this campaign. *

Lamorinda Democratic Club; Assemblymember Bauer-Kahan; Senator Glazer; Supervisor Andersen; 10 former Mayors of Lafayette

3.2 - What other endorsements are you seeking? *

Congressman DeSaulnier; Contra Costa Young Democrats
