

Laura Bratt, San Ramon Valley Unified School District
CANDIDATE STATEMENT

As a dedicated advocate for students and their education, I am seeking re-election to the San Ramon Valley Unified School District's Board of Education. With a proven track record of collaborative leadership, a commitment to improving educational experiences for all students, and 4 years as a Trustee representing Area 3, I have the tools needed to help lead our district into an even brighter future.

Since 2020, I have championed initiatives grounded in deep learning and innovation, social-emotional well-being, and equity to ensure that each and every student learns and thrives. My collaborative efforts have yielded significant achievements, including the development of our Strategic Directions; a steadfast and strategic move back to in-person learning post-COVID; the renegotiation of Superintendent and Assistant Superintendents contracts to cap salary increases; greater transparency, communication, and accountability; and increased student voice, including a student board member and student senate.

With a second term, I will focus on continued implementation and accountability of the District's Strategic Directions; increased shared leadership opportunities; expanded pathways for student success; and thoughtful navigation of future shifts in funding.

I would be honored to continue representing Area 3 on the San Ramon Valley Unified School District's Board of Education. For information visit www.VoteLauraBratt.com and please vote for me November 5, 2024!
