

Susannah Meyer for Brentwood Mayor 2024 CANDIDATE STATEMENT

What do I love about Brentwood? Chances are some of the same things you do - our agricultural legacy, thriving downtown, beautiful parks and open spaces, our strong schools, locally-owned businesses and restaurants, and our cultural diversity.

In my day job I'm the Executive Director of a 3-county nonprofit serving the needs of seniors and adults with disabilities. This gives me a unique understanding of both sustainable fiscal management and critical social services.

I ran for City Council in 2020 to make a difference – to strengthen our public safety, ensure residents receive equitable access to resources and amenities, follow our General Plan for growth that is responsible, promote economic development, and retain what makes Brentwood the beautiful community it is today.

I want to be a part of the balance that recognizes the promise of Brentwood's future without losing touch with its past.

A few of the many things I am proud of:

Two years into my term, I was appointed Vice Mayor by a unanimous City Council vote.

Launched the Age & Disabilities Friendly Ad Hoc Committee.

Voted to support Costco.

Proponent of Measure Q to protect open space.

Planning for our future Agricultural Innovation Center.

Full support of public safety measures and funding.

Innovation Center economic development planning.

Initiated Brentwood's 1st Community Day of Service.

I'm proud of my track record and hope you'll give me the chance to continue this work.
